To Whom It May Concern,

All Occasion Carriage and Horse Drawn Wagons graciously donated their services to our organization in March for our Rose Ball. New Horizons provides vocational and social opportunities for adults and teens with developmental disabilities. Our annual patron ball is an event each of our patrons and their families greatly enjoy.

Carol, Deb and their crew treated our patrons like royalty, providing carriage rides around the grounds of the Improvement District Complex for several hours through the evening. The horse and carriage were elaborately decorated with roses and our patrons, even those with several physical limitations, were able to experience the joy thanks to the efforts and perseverance of Carol and her crew.

On behalf of New Horizons, I whole-heartedly recommend All Occasion Carriage for their services.

Sincerely yours,

A handwritten signature in cursive script that reads "Sherry Lemley".
